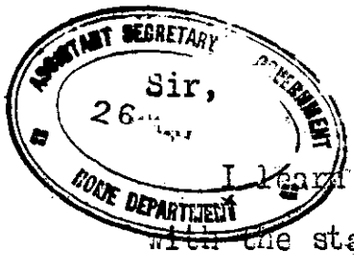
Subject:- Transfer of Service along with Bellary District-Integration with Mysore State.



Sir,

I learn that Bellary District is going to be integrated with the state of Mysore in the process of re-distribution of states on Linguistic basis and consequently the services of some of the officers will be transferred to the Mysore State.

I submit that my ancestors belonged to Mysore State. My mother tongue is Kannada and I have also passed the language test in Kannada. I have also been serving as the District Munsiff in Puthur Taluk for about one year, which is a Kannada speaking area. I would therefore very much like to serve in a Kannada speaking area in future too.

I therefore request that my services may be placed at the disposal of Mysore Government along with the integration of the Bellary District with the state of Mysore and that pending integration of the said District, I may be posted to Bellary. ~~as the District Munsiff.~~

Thanking you,

Mercara.

Public Services - Dt. Munsifs - Balasubramani Chettiar, Sri V. - Permission to practice at the Bar.

From Sri V. Balasubramania Chettiar, d/13.5.53 and 18.5.53.
From the High Court, Roc. No. 2661/53-B2, d/21.5.53 and 22.5.53.

Sri V. Balasubramania Chettiar was first appointed as Dt. Munsif in 1941. On a complaint made by one Abdul Salam that the Dt. Munsif was doing black market business in yarn, a confidential enquiry was conducted by Sri Lobo then the Addl. Dt. Judge, Coimbatore. This initiated disciplinary proceedings against him. The present stage of the proceedings is that while the Govt. considered dismissal was the proper punishment, the M.P.S.C. has recommended that compulsory retirement would meet the ends of justice. The question as to the punishment that should be imposed on Sri Balasubramania Chettiar is under consideration and the main file has been ~~sent to Public (Ser.) for remarks on the point whether a further show cause notice is necessary if the Govt. agree with the M.P.S.C.~~ sent to separately.

Sri Balasubramania Chettiar has now put in two petitions. In one petition he has requested that he may be permitted to practice at the Bar; and in the other petition he has requested that his services may be placed at the disposal of the Mysore Govt. along with the integration of the Bellary Dt. with the State of Mysore and that pending integration of the said district he may be posted to Bellary.

With reference to the request to practice at the Bar it is submitted that on a previous occasion Sri Chettiar had stated that he proposed to commence practising at the Bar with effect from 18.8.52. He was then warned that his resuming practice at the

Bar till ... ceased to be a Govt. servant would not be in order as it would be in contravention of rule 13 of the G.S.C. Rules.

Submitted that rule 13 of the G.S.C. Rules prohibits any Govt. servant to engage in any trade or undertake any employment or work other than his official duties without the previous sanction of the Govt. In the present case as disciplinary proceedings are pending against the Dt. Munsif it would be embarassing to allow him to practice at the Bar. Permission to practice at the Bar may perhaps be refused.

As regards the second request to post him to Bellary it is submitted that the High Court was in May 1952 informed that the Govt. were of the opinion that the Dt. Munsif should be placed under suspension pending the disposal of his case but the Judges did not place him under suspension as they considered that it is advantageous to Govt. to allow him to be on leave on loss of pay as otherwise subsistence allowance would have to be paid to him. It would not be in order to give a posting till the disciplinary proceedings against him are disposed of particularly when one takes into account the proposed punishment and the recommendation of the M.P.S.C.

Public (Ser.) may see for remarks.
